*One mile from the town of Bellbuckle. †The Conference was divided this year, and the Holston Conference met at Knoxville, Tenn., the place selected for the session of the Tennessee Conference; and the Tennessee Conference met at Columbia, Tenn. ‡Bishop McKendree was present at this Conference in age and feebleness, and it was the last Conference he ever attended. §This is as late as McFerrin's "History" comes. In regard to the session at Florence, in 1835, he says: "It was appointed for November 11, but was brought on earlier." ¶This year the Memphis Conference was set off, and met at Jackson, Madison County, Tenn.; and the Tennessee Conference met at Murfreesboro, Tenn. †Bishop Keener was to have held this Conference, but did not get there on account of yellow-fever quarantine regulations.

DISTRICT CONFERENCE REPRESENTATION.

THE following rule was adopted at the Annual Conference in Shelbyville in 1883, and has been the law since:

The District Conference, in addition to its clerical delegates provided for in the law of the Church, shall be composed of the recording steward and one delegate for every one hundred members; provided that each pastor shall be entitled to two delegates, the delegates to be elected by Quarterly Conference at its first or second session of each year.

RULES OF ORDER FOR 1899.

REPORT OF COMMITTEE APPOINTED AT LAST ANNUAL CONFERENCE.

1. The regular hour of meeting shall be 8:30, and of adjournment 12:30. A majority of those present and voting may extend the session temporarily, but the hour of meeting shall not be changed except by a two-thirds vote. Special afternoon or evening sessions may be ordered by a majority vote.

2. The presiding officer shall cause the session to be opened promptly with divine service, and after the reading and approval of the journal the Chair shall call the disciplinary questions according to his discretion, subject to the order of the day.

3. Special committees ordered by the Conference shall be appointed by the Chair unless otherwise provided for.

4. When the report of a committee is under discussion, a representative of the committee shall have the right to close the discussion, and the call of the previous question shall be subject to that right.

5. The presiding officer shall decide all questions of order, subject to an appeal to the Conference. When such appeal is taken, the person making the appeal shall be allowed to state the ground of his appeal, and the Chair the ground of his decision. Otherwise than this the vote shall be taken without debate.

6. Every resolution shall be in writing, signed by at least two members, and every substitute and amendment or report of a committee shall be in writing.

7. A report, resolution, or other paper shall be considered in possession of the Conference when it has been presented to and received by the Conference and read by the Secretary, and such document cannot be withdrawn without the consent of a majority of the Conference present and voting.

8. In the disposition of matter before the Conference, the following motion shall have precedence: (1) The previous question. (2) Lie on the table. (3) Postpone to definite time. (4) Commit. (5) Amend. (6) Substitute. (7) Indefinite postponement. (8) It shall be in order to offer an amendment to an amendment, and one amendment to a substitute. Should a motion assume this shape, the order of voting shall be as follows: (a) On the amendment to the amendment; (b) on the amendment, thus perfecting the main question; (c) on the amendment to the substitute; (d) on the substitute; (e) on the main question.

9. Every member shall, when desiring to speak, arise from his seat and respectfully address the President, and shall not be interrupted when speaking unless called to order by the President, or by a member of the Conference through the President. By permission of the Conference a member may explain, if he claims to be misrepresented.

10. No member shall speak more than twice on the same question, nor more than fifteen minutes at one time, without leave of the Conference; nor shall any member speak more than once until every member choosing to speak shall have spoken.

11. Every member who is within the bar when a question is put shall vote unless the Conference excuse him. No member shall be allowed to vote who is not within the bar when a question is put.

12. Whenever a member shall move the "previous question," the Chair shall demand, "Shall the question now be put?" and the vote on such motion shall be taken without debate. If a majority of the members voting sustain the call, the Chair shall put the question then pending without debate, except as provided in Rule 4. See No. 8 (1) and (2).

13. A motion to reconsider may be made on the day of the vote or the next day after (immediately after the reading of the journal) by any member who voted with the majority.

14. On demand of one-fifth of the members of the Conference, a recorded vote by yeas and nays shall be taken.

15. A motion to adjourn made by a member entitled to the floor shall always be in order, and shall be taken without debate.

SUPPLEMENT—REPORTS ADOPTED.

I. SUNDAY SCHOOL BOARD.

IN the Tennessee Conference division of the Church militant the Sunday school is a live organization. While some of our forces seem content to be reported on the noneffective list, yet our ranks are maintaining a steady and sturdy front on the firing line. But we are not satisfied with this condition. We wish to be more aggressive. Our numerical strength is not as great as it should be nor our munitions of war as ample. We invoke the aid of our presiding elders, pastors, and superintendents in our endeavor to increase the efficiency of this invaluable arm of the service.

The Board is gratified that the Conference at its last session adopted the resolution setting apart the second night of each Annual Conference to be observed as the Sunday school anniversary. We hope for good results.

Notwithstanding the omission by some charges to observe Children's Day, the collections, as shown by the statistical reports, are slightly in advance of last year, which was the largest ever received in this Conference. There are some discrepancies between these reports and the amounts paid, as will be shown by the Treasurer's report. Not one cent of the Children's Day collections can be lawfully used for any other purpose than that prescribed by the Discipline. We ask that the preachers report to the Conference, as collected on Children's Day, only the net sum they remit to the Treasurer, and avoid these discrepancies. The contributions this year by the country charges were relatively larger than the city charges.

We regret that it is still necessary to call the attention of some pastors and superintendents to the necessity of remitting the entire collection promptly to the Treasurer, Rev. J. T. Curry, so that the fund may be immediately available in helping needy schools. Some of the foremost charges have failed to pay over their collections until the meeting of this Conference.

Let our presiding elders and pastors remember that the only source of revenue to the Board is the Children's Day collection, and that the nonobservance of the day in any charge, to that extent, cripples the work of the Board.

The Board will furnish, gratis, Children's Day programmes to all our schools applying for them. Make all applications for aid to Brother D. C. Scales, Secretary of the Board, Nashville. Application blanks can be procured from the Secretary or the Publishing House. We request that all applications for literature be made upon these blanks. We suggest that the presiding elders keep a supply on hand.

We recommend that all our schools take up a collection every Sunday for the purpose of buying their literature, except that the collection of one Sunday in each month be paid to the preacher in charge, as missionary money, which may be credited on his missionary assessment.

We recommend the distribution in the Sunday school of missionary literature on mission day.

We recommend that our schools use our own literature issued by our Publishing House at Nashville, and that they furnish a copy of the *Sunday School Magazine* to each teacher, and endeavor to place one copy of the weekly *Children's Visitor* in each family represented in the school.

The Executive Committee are directed to appoint one delegate and alternate to each District Sunday School Conference.

We recommend that a Conference Sunday School Convention be held as early next spring as practicable, at such time and place as the committee may designate.

One peculiarity this year is that country charges have paid relatively more largely and sent in these collections to the Treasurer more promptly than some of the larger city charges.

II. EPWORTH LEAGUE.

Your Epworth League Board desires to make the following report:

While we recognize the importance and necessity of League work, we are also convinced that it is the most difficult department of our Church work to carry on successfully.

In many places where the Sunday school and all the other varieties of Church effort are successfully promoted it is difficult to have a thoroughly active and efficient League. These are conditions not to be tolerated but to be overcome, as we can conceive of no more important work in connection with our Church.

We recognize the imperfect work done in this department in the past, we are conscious of many mistakes on the part of local Leagues and their managers; but altogether we believe the League has made as creditable progress as any other organization of the Church in the same number of years.

As a Board we are addressing ourselves to the task of clearing away difficulties and putting the League upon a successful plan of discharging its given work. To do this we earnestly seek, and must have, not only the indorsement but the hearty sympathy, aid, and counsel of every presiding elder and pastor in the Conference. If this can be secured, we have no fears of being able to correct all past mistakes and putting the Leagues upon a career of usefulness which shall make them indeed a real power in the Conference. To this end we invite criticism of all our past methods and present plans, so that no divisions shall embarrass our future efforts. We emphasize these things the more, at this time, because we believe the most potent factor in promoting the League work is the earnest sympathy and coöperation of the presiding elders and pastors. The difference in the success of League work where these conditions *do* and *do not* obtain lead us easily to this conclusion.

Reports do not show an increase in the number of Leagues, but we are happy to state that every district in the Conference has a number of efficient Leagues, and that we believe substantial progress has been made in the general work.

For the furtherance of our work during the year just before us, we offer the following recommendations for your indorsement:

1. We recommend that our pastors seek to organize Leagues in all our churches where the proper leaders can be secured to successfully carry on the work—always, of course, under the pastor's personal supervision.

2. We would urge upon all our Leagues the importance of pushing the work of the Literary Department, since to increase our knowledge of the doctrines, polity, and literature of our Church was one of the chief designs in our organization. Let circulating libraries be begun and added to, as time and means will allow.

3. We recommend that what is known as the "Holston Plan," for aiding in bringing up our connexional collections in full, be indorsed by this Conference, having heard from our General Secretary that some \$20,000 has been raised by this method during the year throughout the Church, also recording with gratitude that a partial application of the plan in this Conference during the past year has increased our collections by several hundred dollars.

4. Recognizing that the only method of promoting League work in many charges is to begin with a Junior League, we recommend that the League Board seek some suitable person whose work shall be to aid in organizing Junior Leagues wherever practicable and desirable.

5. Looking to perfect harmony and hearty coöperation in all our work, we further recommend that nothing be done by our local Leagues without first securing the consent and indorsement of both presiding elder and pastor.

Finally, we wish to record our gratitude to Almighty God for his blessings upon our work throughout the connection and in the various departments. We would express our gratification at the success of our League paper and other League literature.

We would heartily commend the high-class work being done by our editor and General Secretary on the *Epworth Era*, and respectfully request that each League appoint a suitable person whose business shall be to distribute sample copies and secure subscriptions from every Leaguer possible.

J. J. STOWE, *President*;

TOM C. RAGSDALE, *Secretary*.

III. BOOKS AND PERIODICALS.

PUBLISHING HOUSE.

It is indeed gratifying to note the continued material prosperity of our Publishing House. We feel assured that its magnificent work augments largely the spiritual relations and intensifies the spiritual force of the Church, as its members and friends utilize the superior advantages provided by the House in its prudent and persistent plans of distributing the publications of the Church. Since the range of influence and degree of force of this, a mighty arm of the Church, depends most largely upon the positive and aggressive relations of its direct representatives, the preachers, we would record our pleasure at the obvious and extensive interest and effort manifest with them and others, bespeaking more and more every possible relation calculated to promote the interests of this great institution.

We find the publications of our House to consist of a very superior grade, in point of matter and mechanism. The Sunday school, Epworth League, missionary, and educational departments of our Church's labor and life find in them an unquestionable source of instruction and inspiration. Our books, periodicals, magazines, and tracts, we believe to be second to none in the world; thus we recommend them as such to the undivided interest and use of all the Church.

CHRISTIAN ADVOCATE.

Our *Christian Advocate* exists in the world of religious journalism without a superior. Its conservative spirit, clean manner, highly spiritual principles, its vigorous editorials, and, in a word, its general character should command an appreciative relation on the part of all Methodists. At least we believe from *this view point* that no better work can be done than to place our *Advocate* in the homes of our people. Therefore we plead for that interest and activity which will increase the circulation of this invaluable paper. While we do not recommend it, nor even suggest it, yet we believe that a reduction of the subscrip-

tion price would in a manifold manner increase the circulation of this great sheet, and further believe we can trust the wisdom of our preachers to prevent any hurtful competition between the connectional and Conference organs, should our Book Committee deem it practicable to effect the desired change at this point.

METHODIST REVIEW.

The *Methodist Review* takes rank with all other periodicals of its kind, that creates a righteous pride with all Methodists who read the same. The strong and delightful editorials, the temper and thought of its very superior contributions, the extensive and untiring purposes of its editor, should increase its subscription list. As Methodist preachers and people throughout this Conference it behooves us to lend every possible interest and indorsement to this magnificent publication of our Church.

EPWORTH ERA.

This paper during the past year in general quality and number of subscriptions has grown in a manner commensurate with its superior management and the efforts of its gifted editor. The matter of its publications and the manner of their presentation are surely such as to reach the eye and hold the ear of our young people, and thus we are not at all surprised at the material and increased achievements of the past year. We hail with delight the already attained precedence, and beg for every interest and coöperation available in its behalf.

SUNDAY SCHOOL LITERATURE.

The department of Sunday school literature of our Publishing House has created history perhaps unprecedented by any period of the past. In point of its excellent matter, plan of construction, and general character, it is highly calculated to meet the needs of both teacher and pupil of every interest and inclination.

We have heard with great interest and gratification the report of our Sunday School Editor, Dr. James Atkins, and would emphasize with every vigor his references to the great merits of that splendid publication, the *Sunday School Magazine*. We read with a supreme pleasure and profit the invaluable contributions thereof, and note with satisfaction the various helps to the comprehension and appreciation of the lesson text.

We find a specially prepared quarterly for the Home department which is all that could be desired for the present.

We recommend the more extensive distribution of the *Children's Visitor* in our Sunday schools, recognizing its value in the creation of additional interest and soul life with our larger little ones.

REVIEW OF MISSIONS.

This periodical takes position along with the first and most influential publications of its kind in the world. We desire to repeat that "its articles and editorials are of the highest order."

Its circulation cannot fail to continue the increasing interest in world-wide missionary movements. We note with pleasure the unceasing endeavors to increase the number of its readers. We commend it to all our people, but especially to our young preachers and Epworth Leaguers.

WOMAN'S MISSIONARY ADVOCATE.

We do not believe the *Advocate* has a superior among the many publications of the religious world representing woman's work for foreign missions. It has made an inestimable contribution to the missionary sentiment of Southern Methodism. We congratulate its editor, Mrs. Butler, and her faithful collaborators upon the literary merit, spiritual force, and missionary influence of the magazine. We commend the *Advocate* to all our women as eminently worthy their subscription, and pledge ourselves to encourage its circulation.

OUR HOMES.

The unceasing labor and magnificent achievements of the Woman's Home Mission Society challenge the admiration of the whole Church.

The brilliant and helpful organ of this society, *Our Homes*, is not the least of their splendid accomplishments. It is ably and popularly edited by Miss Mary Helm. There was never a time when the necessity was more imperative that all the resources of our women be enlisted in coöperation with the pastors in behalf of the domestic mission interests, and of parsonage building in particular. In this work *Our Homes* becomes an indispensable factor to success. We gladly place ourselves as preachers in the attitude of coöperation, and pledge our cheerful assistance in circulating this most gratifying and helpful publication of our women.

MIDLAND METHODIST.

It has been a pleasant retrospection to your committee recalling the service rendered and good accomplished by the *Midland Methodist* as our Conference organ for this year. It is with a sense of pleasure that we note the fact that the subscription list has reached more than six thousand, this Conference having increased its subscriptions more than one thousand during the year. We frankly submit that this does not reveal the coöperation that should obtain. The subscriptions should have numbered three times as many. The columns of the paper have been prudentially open to our use. The editorial work of the paper has been executed with such ability and prudence as should be required of our Annual Conference organ. We are pleased with the spirit, matter, and mechanism of the paper. The *Midland Methodist* became our Conference organ by honorable compact. The Conference by its own competent contract stands obligated to the publisher to support and circulate the *Midland* so long as such good service is rendered. We recognize it as our duty to press the circulation of the *Midland*, not as a rival of the *Christian Advocate* or any of the general literature of our Church, but as our Conference organ. We hold it to be the duty of every preacher in charge to encourage the reading of this paper in preference to any foreign, private, or independent enterprise that may solicit our support. We recommend:

1. That you continue the present plan for securing a Conference organ.
2. That W. R. Peebles, J. T. Curry, and J. L. Parkes be continued as members of the joint publishing committee from this Conference.
3. That Dr. William M. Green be appointed assistant editor.

S. E. WASSON, *Chairman*;
E. A. STELLAR, *Secretary*.

IV. BIBLE CAUSE.

"The Bible for the world" is the appropriate motto of the American Bible Society, which furnishes the Word of God without note or comment in various styles with good print and substantial binding for everybody at cost. It searches out the poor and neglected in the cities and out-of-the-way places. It supplies the calls of our soldiers and sailors, and inmates of hospitals, homes, prisons, and many other institutions. It promotes the accurate translation of the Scriptures into many foreign languages, thereby greatly aiding all missionary boards, laying the foundation and supplementing the work of missionaries of various creeds. The Bible is the best missionary, practically the only missionary, for reaching Mohammedans, Roman Catholics, and Greeks in lands where the direct efforts of preachers and teachers are not tolerated or obstructed, as in Turkey, Arabia, Austria, South America, and Russia. The American Bible Society has done, and is now doing, much for the world and for the Church in promoting the knowledge of the unadulterated Word of God. Is not this the world's great need till time shall be no more? Our own Church has been a liberal beneficiary of the generous aid of the American Bible Society. In Mexico more than twenty-three thousand Bibles were cir-

culated in 1897. Our Brother Clarence Tucker, formerly of the Tennessee Conference, reports over forty thousand copies for the year in Brazil.

Bullets and bayonets have been given for the freedom of Cuba and the Philippines. Shall we not now give them the Bible, that they may be free indeed? Hitherto our Conference has been very deficient in aiding the Society according to our ability and opportunity. But last year we reported an advance of over twelve per cent above the preceding year. Our Treasurer thinks we will have a gain this year of twenty to thirty per cent over last year. Brethren, the time has come for us to make special and earnest efforts to aid the American Bible Society in the good and great work of giving the pure Word of God to all the world, not simply by the presiding elders asking, and the pastors answering in a perfunctory way, the question, "What has been done for the American Bible Society?" and some of us taking a small collection near the close of the Conference year. Now let us early begin to lay this important subject upon the hearts of all our people in every congregation by special services and sermons or exhortations on giving the printed Word of God to all the world. Let us do what we can wherever practicable to organize and reorganize auxiliary Bible Societies, and if possible keep them alive and at active work and in every wise way endeavor to promote the interests of the American Bible Society, so that the Tennessee Conference may report not less than a thousand dollars for the Bible cause at our twentieth century session.

S. M. CHERRY, SR., *Chairman*;

T. W. NOLAND, *Secretary*.

V. BOARD OF EDUCATION.

REPORT No. 1.

Your board has given careful consideration to the report of the General Board of Education signed by the Secretary, Dr. J. D. Hammond. We note with gratification the fact that progress has been made in classifying and correlating our institutions of learning, and we promise our support and allegiance in maintaining the principle of proper adjustment in all our educational work.

We are pleased with the report made of the work of Paine and Lane Institutes, and are delighted that the full amount of \$25,000 needed for Haygood Memorial Hall has been subscribed. The thanks of the Church are due Dr. R. J. Bigham for his zeal and efficient work in this matter.

We would call especial attention to *New Century Education*, the subscription price of which has been fixed at the nominal sum of ten cents per annum. Every number has been full of matter calculated to inform and inspire the Church in the great educational work now being undertaken. Every pastor should take this paper, and should make a positive personal effort to secure subscribers in his charge. For the first six months more than two thousand copies were sent out throughout the Conference at the expense of the Board to names furnished by the pastors. The pastors should now see to it that these persons and others send in their own subscriptions.

In addition to this publication the General Board has provided a number of leaflets which will be sent to our preachers on application without charge. There has also been prepared a programme for the Twentieth Century Thank Offering Service, subscription cards, and blank notes for use in congregational collections. These last-mentioned helps are sold for a small sum; but if any pastor will make application to the Conference Secretary of Education, promising to use them, the necessary supply will be sent to him free of charge.

Our Church has now entered on the movement to raise a great thank offering. The Tennessee Conference has as yet done very little in this matter. It is time that we lay our hands to this work. It is a work for every pastor, and the responsibility for it is not to be delegated to any special agent. We deeply regret that the movement to which our Conference pledged itself at its last session should have met with so little

success. For several years the Tennessee Conference has maintained an interest in the important work of advancing the higher education of women. We are fully convinced that a permanent work in this direction can best be done—perhaps only be done—in connection with Vanderbilt University. We therefore recommend that we adhere to our general plan heretofore adopted with some modifications. The high price of board prevents many of our daughters from enjoying the advantages of the University. For the boys' dormitories are provided that furnish board at ten or twelve dollars per month, but girls must hunt a place where they may, and then pay double the sum mentioned. No greater service could be rendered them than to erect a home for girls near the University campus, where they could board at cost, have wholesome surroundings, and be properly cared for in sickness and in health. Whether it will be best to undertake the establishment of a high-grade academy for girls in such a building is a question that we had better leave to the future to determine; just now it is sufficient that we agree on this one plan—the erection of a home for girls at Vanderbilt—as the end and aim of our Conference part in the Twentieth Century Movement. We assume that this home when erected is to be owned and controlled by the Tennessee Conference and not by Vanderbilt University.

It is no doubt true that in some few localities certain enterprises are already projected that will absorb all the interest of our people. In such cases we suggest that the Conference Board of Education be given authority to investigate such enterprises and, if they deem it wise, to allow these local plans to be substituted in whole or in part for the more general one of the whole Conference. We recommend, however, that the Conference distinctly affirm its purpose to allow no effort in any direction to turn aside that part of our collections which of right is due the Biblical Department of Vanderbilt University. We further call attention to the action of the General Conference which does not allow aid to be given to any institution that is not the exclusive property of our Church. We would also recommend that any institution seeking our aid and indorsement be required to adjust its standard of work to our educational system as already fixed and established in Vanderbilt University. We finally exhort our pastors and people to unite heart and soul in this great work, and to heed the exhortation of our General Secretary of Education, so strongly made in the following paragraph:

“We cannot afford in any way to prove ourselves unworthy the great trust committed to us by our beloved Church. Her honor, and that of her Lord, are involved in this movement. The great divisions of the Methodist army are sweeping down to the close of the century victoriously—the M. E. Church, with its thank offering of \$20,000,000; the Wesleyans, with theirs of \$5,000,000; the Irish, the New Zealand, the Australian, the Canadian Methodists, all and each, with their thank offerings. Soon we shall join them at the place where two centuries meet. It is with us to say whether Southern Methodism shall come full handed, in the flush of victory, or with shame and confusion of face. Whatever organization and work can accomplish, we wish to do. The trust has been committed; it has been accepted. We must be true to it. Each pastoral charge must be divided into small bands, and a leader must be put in charge of each band, charged with the duty of prayerful and earnest instruction, the sowing of seed, the distribution of literature, the dissemination of information, the creation of sentiment. This movement cannot be made to succeed by a few gifted speakers. These have an important part to perform, but there must be many busy workers who cannot speak in public, and who can yet lay this matter on the hearts of many.”

REPORT NO. 2—MARTIN COLLEGE.

The following resolution was adopted by the Board of Trustees of Martin College, Pulaski, Tenn., October 16, 1899, and embodied in a communication to the Board of Education of the Tennessee Conference:

Resolved, That it is the sense of the Board of Trustees of Martin Female College that

as soon as the bonded debt now outstanding against the property of said school shall be paid off and discharged, the present charter of Martin Female College shall be amended so as to make said school a denominational school under the patronage of the Methodist Episcopal Church, South, subject to the supervision of the Tennessee Annual Conference of the Methodist Episcopal Church, South, and that a committee be appointed from the Board of Trustees to attend the next session of the Tennessee Annual Conference of the Methodist Episcopal Church, South, at Columbia, and that said committee be authorized to express to the Conference the sentiment of the Board of Trustees as contained in this resolution."

The following committee was appointed to attend the Conference: Judge John T. Allen, L. E. Abernathy, E. T. Daley, W. H. Cotton, and W. R. Peebles.

The Board of Education appointed the following committee to confer with the Board of Trustees of Martin Female College with the view of getting the college in closer relation to the Tennessee Conference of the Methodist Episcopal Church, South, the report of said committee to be made at the meeting of the next Annual Conference in 1900: H. B. Reams, W. F. Tillet, W. R. Webb, J. H. Kirkland.

REPORT NO. 4—SUMMER INSTITUTE.

We have learned with pleasure of the inauguration by the Examining Committee of this Conference of a Summer Institute for prosecuting the Conference Course of Study. This Institute commends itself to us as a wise movement and is worthy of our indorsement. Our attention has been called to the fact that some of our young ministers who greatly need the benefit of this Summer School receive such small salaries as to make it embarrassing, if not impossible, for them to meet the small expense involved in attendance upon its sessions. Therefore.

Resolved, That the presiding elders are requested to give their earnest attention to this matter and to do all in their power to help the undergraduates to attend the meetings of the Institute.

Whereas the Examining Committees of this Conference have organized a Summer Institute to meet during the latter part of June, to aid undergraduates in the prosecution of their work in the Conference Course of Study, and the authorities of Vanderbilt University have offered the use of Wesley Hall free of all charge to the committees and their classes; therefore,

Resolved: 1. That the Tennessee Conference hereby expresses its hearty approval of this Institute, and that all members of the examining committees and undergraduates of the Conference are urged to attend the entire session of the Institute.

2. That presiding elders are requested not to place the quarterly meetings of the pastoral charges served by members of the Institute upon the Sabbath embraced within the session of the Institute (which will fall this coming year on the fourth Sunday in June).

3. That we approve the formation of a postgraduate course of reading and study in connection with the Institute, said course to be changed from year to year, and that as many preachers as can do so be encouraged to join this postgraduate class.

4. That those in charge of the Institute be requested to make the sessions of this summer school not only occasions for study, but also, as far as possible, seasons of divine grace, of prayer, and communion with God; and it is our sincere hope that it may prove an occasion of quickening both the intellectual and the spiritual life of all who attend it.

REPORT NO. 5.

We have heard with pleasure that it is proposed to revive the Hannah Highland Academy, at Vervilla, in the Murfreesboro District. This institution, under the control of a Board of Trustees, at present consists simply of ten acres of land and a two-story brick building, which is held by a board of trust for the Methodist Episcopal Church, South. We learn that it is a favorable location for a school, and we hope that the plans of the trustees and citizens looking to its reorganization will be successfully carried out, and that during the coming year such a school may be put in operation there as we can heartily indorse at our next Annual Conference.

We recommend that our Secretary of the Twentieth Century Fund, Dr. Tillett, visit this community at an early date and give them such help as he can by public lectures and sermons on Christian education.

REPORT NO. 6.

Resolved, That it is the sense of the Board of Education that all reports and representations of Conference schools should hereafter be made to the Board of Education, and not to the Conference unless recommended by the said Board.

TREASURER'S REPORT.

The whole amount received for educational work in the bounds of our own Conference the past year was \$1,064.62.

Out of this amount the following appropriations were made and paid by the Treasurer for the education of preachers' daughters:

	Appropriated.	Paid.
Daughter of Rev. J. T. Duncan, Soule College.....	\$100 00	\$ 6 76
Daughter of Rev. J. G. Molloy, Soule College.....	100 00	100 00
Daughter of Rev. S. W. Bransford, Soule College.....	100 00	84 34
Daughter of Rev. G. B. McPeak, Soule College.....	50 00	50 00
Daughter of Rev. W. H. Baird, Bethpage.....	100 00	100 00
Daughter of Rev. R. J. Craig, Price's College.....	40 00	40 00
Daughter of W. H. Doss, "The Academy," Clarksville....	50 00	50 00
Total.....	\$540 00	\$481 10

On account of sickness the daughter of Rev. J. T. Duncan was in school only a few days. Hence the small amount paid on her appropriation. The full amount appropriated to the daughter of Rev. S. W. Bransford was not needed to pay her expenses, hence the difference in the appropriation and the amount paid.

The following appropriations were paid to young men preparing for the ministry:

	Appropriated.	Paid.

VI. TEMPERANCE.

As might have been expected, the workers for the cause of temperance have, from the beginning of their work down to the present, met with stubborn and constant opposition from the ignorant, lawless, and selfish citizenship of our country. Notwithstanding the formidable foe which we have met, we have won many battles for prohibition of the liquor traffic. And we are sure that our efforts would have been far more effective if they had been more wisely directed. Doubtless we shall be much nearer the goal of our desires and efforts if much of the money, time, thought, and public utterance that have been invested in efforts to convert the grown, middle-aged, and old to the cause of temperance had been given to preparation and dissemination of instructive prohibition literature, and proper education of the children and youths of our land.

While our State in its legislative enactments for the cause of the prohibition of the liquor traffic has not kept up with some other States, yet we have done much in the way of education for the cause of temperance, and we sincerely believe the time has come in Tennessee for a general demand of temperance workers for more legislative enactments in favor of suppressing the iniquitous whisky traffic. We call attention to some recent praiseworthy acts of the municipality of Nashville, Tenn., in electing a mayor, city council, board of public works and affairs, and other city officers, over the pronounced saloon element; and also the commendable action of Lewisburg, Tenn., in surrendering her charter and reorganizing under a recent act of the Legislature for the sole purpose of getting rid of the saloon, as unerring evidence of the decay and certain destruction

of the saloon power and influence. And every one who is allied with sobriety and good government should be stimulated with renewed energies to go forward in this cause until the saloon is doomed. Therefore be it

Resolved: 1. That we see our greatest hope for the final overthrow of the saloon and whisky power in education and Christian enlightenment of the people through the pulpit, press, and schools of our country.

2. That we pledge ourselves to support any genuine reform movement looking to the overthrow of the saloon element and whisky power of our State.

3. That we will be diligent in ascertaining the convictions of candidates for State, county, and municipal officers, touching the cause of temperance, and vote for only those who are in favor of good government.

J. W. SMITH, *Chairman*;

A. AVANT, *Secretary*.

VII. THE SABBATH.

Your committee desire to emphasize the importance of the scriptural observance of the Sabbath as a day of rest and spiritual refreshment for all classes and conditions of mankind.

We therefore recommend that every preacher of the Conference preach a sermon once a year to each of his congregations on the correct observance of the day, taking occasion to point out and condemn the evils most generally practiced in violation of its observance.

These evils are, in the first place, the opening and patronizing of grocery stores, drug stores, for other purposes than the sale of medicine, fruit stands, cigar stands, barber shops, bootblacks, buying newspapers, etc.

In the second place the sacredness of this day is threatened by the practice of taking trips and excursions and general riding around for pleasure on the Sabbath.

We would also call attention to the growing evil of using the day for the purpose of posting books, making trades and contracts, hiring servants, serving legal summonses, or subpoenas, etc.

Many of the foregoing evils are already under the ban of the law, and we therefore exhort our people to use their influence to stimulate and encourage the proper officers to enforce the same.

JOHN MATHEWS, *Chairman*;

W. H. COTTON, *Secretary*.

VIII. REPORT OF COMMITTEE ON CHURCH PROPERTY.

Your Committee on Church Property would report that in 1898 there was reported an increase of \$12,457 value of churches and \$1,467 value of parsonages, a total increase of \$13,924 in these two items; but balanced by a decrease of \$13,330.50 in value of "other church property."

For the present year the same figures report increase of \$19,136 in value of churches and parsonages, and an increase of \$687.50 in value of other church property. • We have now 605 1-12 churches and 139 parsonages, an increase of 5 1-12 churches and an increase of 4 parsonages.

Your committee is pleased to believe that there is a steady increase in value and architectural elegance of our church and parsonage buildings. We earnestly urge the use of the plans prepared and furnished by our Board of Church Extension for churches and parsonages; or that, failing this, the services of competent architects be invariably called in wherever churches or parsonages are to be built.

We find that \$291,650 insurance, at a cost of \$2,704 premiums, is carried on church property, an increase in insurance carried of \$85,050 over last year. Insurance collected during the year \$2,050, being only \$654 short of total premiums paid for the year. We urge that all churches, parsonages, and inflammable property be kept insured; also that special attention be paid to securing the services of progressive trustees who will see to it that our property be kept in good repair.

We recommend that the grounds of our parsonages and churches be set, where practicable, with shade and fruit trees. We urge that occupants of parsonages see that vines and ornamental shrubbery be set in the grounds belonging to the same.

J. J. RANSOM, *Chairman*;

W. R. MOORE, *Secretary*.

IX. DISTRICT CONFERENCE RECORDS.

Your committee on District Conference Records reports as follows:

Nashville District.—This book is neat, well kept, and affords no grounds for criticism.

East Nashville District.—This record has been prepared with much care and presents an excellent appearance. We would suggest that each page be so headed as to denote the place and date of the Conference.

Clarksville District.—This book is a model in every respect.

Dickson District.—This book, notwithstanding the penmanship, is neat, well arranged, and accurate.

Fayetteville District.—Improvement could be made in the phraseology, and the general appearance could be improved by better marginal references. The roll should state the official relation of each lay member.

Murfreesboro District.—Under the head of roll call the record fails to give the official relation of those attending. The general appearance has been marred by interlining and erasing. On the whole the book is well kept.

Lebanon District.—This record is marred by frequent erasures and corrections with pencil. It would be more interesting if it gave the substance of the reports from pastors and laymen. There are no marginal references. Exhibit "A," referred to in Appendix 8, is not exhibited.

Columbia District.—The arrangement and penmanship are excellent, but the general appearance is marred by frequent erasures. A note is made of the report of the Woman's Foreign Missionary Society being presented, but it is nowhere recorded.

Savannah District.—This journal shows marked improvement in arrangement and appearance. It is unnecessary for the President and Secretary to sign the minutes of each session. The official roll omits the names of the presiding elder and absent members.

Franklin District.—If the record is to be relied on, the recommendations for admission on trial and the licensing of candidates to preach were acted on in another manner than that required by paragraphs 74 and 75 of the Discipline.

JOHN H. STEVENSON, *Chairman*;

S. M. CHERRY, JR., *Secretary*.

XI. MISSIONS.

After prayerfully and carefully looking into the details of our mission work for the year now closing, the board feels that it has great reason to be profoundly thankful to God for his goodness and for that degree of success which he has granted to us. We note with pleasure an increase on foreign and domestic missions of more than \$2,500 over last year. We feel that this increase was largely due to the painstaking and persistent efforts of our faithful preachers and presiding elders, and especially to those who began early in the year. We would urge all pastors, in Christ's name, to begin this work with their first labors, and press them continuously until they can show a clean sheet. Experience and observation have taught us that those who succeed are invariably those who begin early in the year, and press these collections until paid; while those who fail are generally those who postpone until late in the year. Let us know no such word as fail.

We note with pleasure the good work done by our woman's home and foreign societies during the year, and urge our pastors to encourage and help them in their work, and to organize where they have no societies.

We heartily commend and indorse the work done by the Epworth Leagues, and request them to continue the plans inaugurated and worked so successfully during the past year.

We note with sorrow that, in many places, men claiming to be followers of our Christ are circulating the report that it costs fifty per cent or more of every dollar raised for missions to get it to foreign fields when it passes through our boards, when in reality it costs only about seven per cent. These malicious and false reports are calculated to injure our collections among people who do not inform themselves. We therefore earnestly beg our preachers to procure from our Secretaries slips giving the exact cost of collecting and disbursing our missionary money, and inform their people wherever necessary.

REPORT NO. 1.

The annual report of the Board of Trust for Superannuated Preachers and Widows and Orphans of the Tennessee Conference is herewith submitted to the Conference.

R. B. McCLAIN, *Chairman*;IRVINE K. CHASE, *Secretary*.

Herewith is submitted the report of the Board of Trust for Superannuated Preachers, Widows, and Orphans, and for your Conference for the year ending October 17, 1899, for reference to the Joint Board of Finance.

Since the annual meeting of the board and our last Conference, our beloved brother, Col. E. W. Cole, a member of this board, has passed away, and the board and the entire Church have sustained a great loss. The board courteously requests that his name be referred to the Committee on Memoirs, that a suitable paper may be prepared and presented on a life so eminent and useful.

To fill this vacancy in the board we have this day elected Brother S. J. Keith, of Nashville, Tenn., and the fact is submitted for information.

XIV. MEMOIRS.

JOSEPH H. STRAYHORN was born in North Carolina October 12, 1821. His parents moved to Tennessee and settled in Maury County when he was only two years of age. All of his early life was passed in that county. He was happily converted to God when a child of only seven years, and maintained a Christian character from that early age to the day of his death. His conversion took place at a cottage prayer meeting. He was first married to Miss Mary Akin, in 1843. Several children blessed this marriage. Being left a widower, he was married the second time to Miss Olivia Anne Mullens September 7, 1859. She preceded him to the grave only a few years. Three children by this last marriage survive him. Brother Strayhorn was admitted on trial into the Tennessee Conference in October, 1868, at Shelbyville, Tenn. We find from the minutes that he traveled the following works: 1868-69, Lynnville Circuit; 1870-71, Petersburg Circuit; 1872, Marble Plains Circuit; 1873, Lynnville Circuit; 1874, Lynnville and Lobbville Mission; in 1875-77 he was on the supernumerary list; 1878, Henryville Circuit; 1879, Southport Circuit; 1880-81, Laurel Hill Station; 1882, Henryville Circuit. In 1883 he was granted a supernumerary relation, which he sustained to the

day of his death. It takes a very short time to call over the seemingly short ministerial career of our brother; but those who are acquainted with the fields he occupied know something of the hardship and trial that attended him as he served his Lord in these different charges and how faithfully he filled them. In trying to form an estimate of the worth of this man of God the words of our Lord come to us: "Well done, thou good and faithful servant." There was not a man among us to whom these words could be more appropriately applied. He was indeed a good man. He possessed that character that must form the background for all righteous living. His goodness indexed itself in his devotion to his loved ones, his love for his Church, and in his thorough consecration to the service of the Master in the work of the Christian ministry. His lifework is ended; his sun is set; he has come to the end of his journey; his account has been closed, and the books have been balanced, and here is the verdict: "Well done, good and faithful servant; thou hast been faithful over a few things, I will make thee ruler over many things; enter thou into the joy of thy Lord."

In 1870 the North Alabama Conference was formed, and the territory of the Tennessee Conference reduced.

The salaries received by the preachers do not include sums that they received from the Domestic Mission Board.

The white population of Middle Tennessee in 1870 was 404,075; and in 1880, 492,368—an increase of 21 per cent. The membership of the Tennessee Conference in 1870 was 33,789, and in 1880 it was 46,428—an increase of 37 per cent.

In 1868 the membership of the Tennessee Conference paid $6\frac{1}{4}$ cents per capita for missions; in 1878 they paid 13 $\frac{1}{2}$ cents, while in 1888 they paid 53 $\frac{1}{2}$ cents per capita.

The figures in reference to salaries are not satisfactory, as the number of preachers include only those in full connection, and do not include local preachers serving as "supplies;" on the other hand, some of those on the "effective" list are connected with educational institutions, and still others are engaged in connectional work. Of course these items cause our figures to be but approximately accurate, yet they are as nearly correct as we can make them. The loss of records by fire and otherwise has prevented making more detailed reports.
